BAR HILL NEWS

THE MONTHLY MAGAZINE OF THE RESIDENTS ASSOCIATION

No 226 Oct 87

"**BAR HILL NEWS** - a monthly newsletter that used to be produced for the residents of Bar Hill, Cambridgeshire. Although it contained items concerning every aspect of village life and made a small profit out of its advertising revenue, it mysteriously disappeared in October 1987. This was explained by some pundits as a takeover by B.T. plc or as another effect of the Bermuda Triangle. However, the reason accepted in the village was the complete lack of volunteer help. All that was needed was help by a few people on a regular basis to print the magazine."

The regular printers are having to finish at the end of the year so if you have a few hours to spare you can prevent the above coming true. If you value your magazine and want to help then contact Nick Jones (C/H 81613), Paul Chubbuck (C/H 81688) or Jo Mason (C/H 82479).

The objects of the BHRA are to act as an intermediary between the residents and other parties to keep residents informed of matters of importance and recreation in and around the village and to promote the interest of Bar Hill Village.

This is a private publication and may not be reproduced without permission.

LETTER TO THE EDITOR:

While I sympathise with the Messer family and their cat, I would just like to point out that it may not be a young boy who is responsible for their plight, it maybe an irate gardener who has the same problem as me! Each time I go into my garden I am made physically sick by having to clear up other people's cats mess from my lawns, back and front. I have tried everything on the market to deter these creatures, even some expensive Renedine as recommended by Percy Thrower, but all to no avail. I haven't yet resorted to an air-gun - but its a thought!!!

Sincerely, Iris Lay

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday 17th September at 7.30 p.m. in the Old Farmhouse.

The Chairman welcomed Mr. N. Jones as the new Parish Councillor, replacing Mrs. C. Avery.

One minutes silence was observed in respect of Mrs. Robin Cruse who passed away recently and will be greatly missed by the Parish Council.

Safety Matting for Play Equipment

As it had been found too costly to lay this surface, the Clerk is to ascertain the cost of replacing the concrete with alternative materals, i.e. sand/bark.

Perimeter Walls

The Parish Councils planning application to alter the walls to fences when they fall beyond repair had caused much concern to some residents. Therefore the Clerk will request the Solicitor to write to the residents concerned asking if they wish to take over the responsibility of the walls themselves in order to retain them.

Camgas - Parish Council Car Park, Viking Way

Further correspondence had been received informing that the application to purchase half of the car park was still a possibility. The Clerk and Chairman, Planning sub-committee, are to meet with Camgas to discuss this further.

Bar Hill - Cambridge Cycle Link

The County Council propose constructing a cycle-way from Bar Hill to Cambridge via Dry Drayton, Madingley and Coton. This would involve suitable surfacing the bridleway between Bar Hill and Dry Drayton, which was approved and, indeed, very much welcomed by Parish Councillors.

New Bus Timetable

It was agreed that the Clerk should write to Cambus objecting to the fact that the new timetable deletes the direct bus route from Bar Hill to Addenbrookes Hospital.

The next Parish Council Meeting will be held on Thursday 15th October at 7.30 p.m. in the Old Farmhouse.

BAR HILL VILLAGE HALL MANAGEMENT COMMITTEE - A.G.M.

This will be held on Thursday 22nd October at 8 p.m. in the Village Hall.

SOUTH CAMBRIDGESHIRE DISTRICT COUNCIL NOTES

REFUSE COLLECTIONS

As most residents are aware, the collections now take place on MONDAYS, not Tuesdays as previously. Bags and cotainers of household refuse (not gardening rubbish or hedge trimmings) should be placed at a point for collection either late on Sunday evening or early on Monday morning.

Please do not leave refuse bags and containers out on the paths or raodways on days when you know that these will not be collected until the next Monday. These bags etc. make the village look untidy and more importantly present hazards for pedestrians who have to step into the roadway to aviod falling over them.

Many thanks for your co-operation

CYCLING ON PATHS AND IN THE AREAS IN HANOVER CLOSE AND THE FORECOURTS OF THE BUNGALOWS IN THE SPINNEY

Recently reports have been received concerning cycling in the areas of Hanover Close and the bungalow forecourts in the Spinney, where cylists have thoughtlessly caused anxiety to residents by riding in a careless and dangerous manner.

If you need to use a cycle in these areas, take every care not to risk causing an accident and please remind the children to be especially careful. The same request applies to cylists using any of the paths in the village. Please remember to be considerate towards pedestrians who al need to use the paths.

If you have any problems relating to the village, please contact ALEC GREEN, District Councillor on Crafts Hill 80978

BAR HILL COMMUNITY USERS ASSOCIATION

It is always rather difficult to write this two weeks before you read it and still make it very topical. It is amazing how quickly life in a Community School moves on. I am hoping that you will have read and, where applicable, acted on the information contained in the Swavesey Village College brochure having found something that you are interested in pursuing, either at Swavesey or on home ground in Bar Hill. If the time has flown and you missed the Open Evening for enrolment at Swavesey or the actual day the course started at Bar Hill please don't feel that you have lost your chance. It may still be possible to enrol in the class of your choice and, if not, remember that at Bar Hill we work on a five week term. Most people elect to stay with the course but there are always one or two who decide, for some reason or other, they cannot enrol foranother five weeks.

Unfortunately the crochet class has had to be postponed until after half term and will start on Wednesday 4th November. I am sure that this class will be popular as I have had many enquiries and as the numbers will have to be small for this class, as Mrs. Daraghaw wishes to have plenty of time to show beginners how to crochet, it will be necessary to get in quick with your enrolment.

Elsewhere in this magazine there will be a list of activities which happen at your Community School and I do hope I will see you participating in one of them. Remember it is YOUR Community School.

COUNCILLOR MRS. ROBIN CRUSE

It was with great regret that members of the Residents Association Committee learned of the death of Robin Cruse while on holiday in Wales. The contribution that Robin made to life in Bar Hill, whether as an ordinary resident, a member of the Residents Association Committee, a Parish Councillor, or as a District Councillor, would be difficult to understate. She brought into everything she did a degree of commitment that was truly remarkable, considering the ill-health which dogged her for many years. Her life in Bar Hill was a rich vein permeating through the early, formative years of the village. Her commitment and her courage were an example and inspiration to all who knew her. The sight of her, walking or jogging around the village with her faithful and beloved dog Katy, will be sorely missed.

The Bar Hill - Emmertsgrund Friendship Association

One of the Major contributions that Robin Cruse made to life in Bar Hill was the establishment of a friendship link with Emmertsgrund in West Germany. It was her foresight and persistance which led to its creation nearly seven years ago. Although ill-health prevented her going to Emmertsgrund on the last two occasions, she remained actively involved, and was looking forward to the visit by Emmertsgrund residents in April 1988. Her legacy is the continuing friendship between the village which she loved and its counterpart in West Germany which it resembled in so many ways.

LETTER TO THE EDITOR:

Following the letter from the Bar Hill Toy Library in the May issue of the Bar Hill News we, the Bar Hill Football Club, have since received our bank statement, which was for a six month period, to which charges have been added without any notification. We contacted the head office of the local National Westminster Bank asking why after having an account with them for 15 years and being in credit they introduced these charges without the courtesy of notification. Their reply stated that all non-charitable club accounts are now levied charges irrespective of the state of the account and that there were too many such accounts for them to send notification.

The charges to our club would amount to about £50 per year and in view of this and the way they introduced the charges we have been left with no alternative but to move our account to another bank who offers a free service providing the account stays in credit.

If any other club or society has encountered the same problem we wil be pleased to give details of the alternative.

Finally, if the National Westminster Bank wishes to sponsor major cricket competitions it is not going to do so at our expense.

Yours faithfullly,

J. York,
Chairman, Bar Hill Football Club

BAR HILL TOY LIBRARY

We have a large stock of toys, games and puzzles for the 0 - 6 year age range, and newcomers to the village are always welcome to come and see what we have to offer. Sessions are held on alternate Fridays during term time from 2.15 - 4.00 at the Sunshine Playgroup building. Tea and coffee is available for parents and children are encouraged to play with the toys before making their choice. We have recently acquired several new items of stock and replaced others, in order to maintain high standards in the toys we have to offer.

One of our main sources of income is the annual NEARLY NEW TOY SALE at which we take a percentage of the proceeds to buy new stock. It is usually an excellent opportunity to dispose of toys, games and puzzles of all types which your children have outgrown, and to acquire some different ones. This year the event will be held on Wednesday 18th November 10.00 - 12.00 in the Church Centre. If you have any items for sale and are unable to come along on that date, please contact any member of the Toy Library committee during the week before the sale.

This months sessions are:- Friday October 9th
Friday October 23rd
Friday November 6th

AND Wednesday 18th November ..... NEARLY NEW SALE .....

I have had several complaints from residents of the Village concerning children playing on amenity areas having no consideration for neighbouring residents. In some cases this is causing considerable misery to residents where balls are continually hitting their fences or landing in their gardens, obviously the danger factor is very much in evidence where these balls are golf balls. For the sake of these residents, therefore, could parents please remind their children that a little consideration for others would be very much appreciated.

Thank you.

******* LITTERBUSTERS *******

Thank you to TESCO and particularly the new Manager, Mr. Otto Dietz, for the greatly improved standards of tidiness around the store, car parks and the Mall. His efforts have gone a long way towards helping us in our self-appointed task, that of making and keeping Bar Hill reasonably litter-free!

THANK YOU AGAIN TESCO.

Plea to all parents of 9 - 14 year old children

Weather permitting, the village green is in constant use, both for organised team games and for informal kick-abouts, rounders, cricket, etc. Its really great to see our kids playing safely for hours on end. However..... its not so great to see the cans and crisp/ sweet packets that they happily leave behind. SOMEONE HAS TO PICK THE LITTER UP!

If the maintenance men miss the odd can and its shape is rearranged, complete with jagged edge by the grass cutters, it poses not only an eyesore but a positive danger. This is only one aspect of the continuing problem we have. If you throw litter down, someone has to pick it up! Please point this out to your children. Their actions are after all, your responsibility. If they go out to play with items of food and drink, or purchase them with pocket money, then you can safely bet that the majority of them will dump the packaging!

Trolley Slobs

Please don't leave your trolleys on the path of our village. We know its very handy to pop your shopping in and, of course, you don't a trolley hanging around near your home where YOU will have to look at it. So why, oh why, do you leave them for the rest of us to admire. Please remember, an abandoned trolley is an eyesore.

OBITUARY

CANON GEORGE KING TIBBATTS O.G.S.

10.03.1902 - 13.09.1987

George Tibbatts, known to many in the village, died peacefully in Addenbrooke's Hospital on 13th September 1987.

Destined to become a man of some considerable ecclesiastical force, George began his adult education with a History degree at King's College Cambrige. Following his theological training at Ely and subsequent ordination, he took up his first priesthood in Rochester. For nearly a decade after this and until the early shadows of the Second World War, George was in Africa as a missionary and headmaster; times he remembered with nostalgia.

The war years saw him as relief Chaplain at Magdalene College in Cambridge and carrying out civil defence duties. A Chaplaincy at Sidney Sussex College followed, during which time he was also Librarian and rowing coach.

Continuing his association with the city, he became Parish Priest in North Cambridge for the next ten or so years and subsequently in two further Parishes in Greenford, West London and King's Sutton, Oxfordshire before retiring to Bar Hill in 1973.

George had held other ecclesiastical posts during his Ministry - too numerous to mention here - and it was not surprising that before long he felt the need to return to pastoral work. He acted as relief Priest for Local Parishes - notably Dry Drayton, Lolworth and latterly at Caxton where he was known to have felt as fulfilled as at any other time in his life.

Interests during his life-time were many and varied. His passion for railways led to his driver's 'ticket' and saw him driving trains between Cambridge and King's Cross during the Great Strike of 1926. He ran a Scout Group in Cambridge during the 1950's and regularly took groups of youngsters for holidays in France and on the canals of this country. In recent years he was a regular member of the British Legion in the village and was an avid bridge player.

Probably most of all George loved people - talking to themwriting to them and listening to them - always interested, always interesting.

George Tibbatts lived his life as if he was going to live for ever. He celebrated his 85th birthday this year and will be sadly missed.

DOCTORS SPENT FOURTEEN YEARS DEVELOPING THIS DIET.

Susan Walsh of Tooting explains how she found success with the Cambridge Diet.

"I weighed 12 stone 2 lbs when I started the diet and within a month I'd lost over a stone. From then on I knew I could reach my 'dream' weight of 9½ stone and eight weeks later I had. Marvellous!"
